Quilt requirements:

Actually – I have it on good authority that any size will be fine, they do not need to be exact. The quilts can either be backed by an anti pil fleece so just 2 layers. Otherwise a 3 layer quilt can have either 80/20 wadding or a good polyester.

Knitted blankets: approx 24 inches square or larger.

Baby quilts: approx 24 inches - 30 inches square or 24 inches x 30 inches.

Children's quilts: approx 36 inches -42 inches square or 36 inches x 42 inches

Teenagers quilts: approx 42 inches square or 42 inches x 48 inches.

The quilts **MIUST NOT** have any embellishments such as ribbons or buttons which could come off and be swallowed.

All quilts and blankets must be machine washable.

There are suggested patterns on the website <https://projectlinusuk.org.uk/> but any pattern you would like to make will be great.
